# COVID–19 RESPONSE PLAN

## KEY LOGISTICAL INFORMATION

- Accommodation **must** be booked through the OC to ensure the protocols and hygiene standards are followed. Teams which book accommodation outside the OC will be required to provide daily negative rapid COVID tests. Wherever possible, the OC hotels will be for 2021 ERU23CH participants only to avoid contact with other hotel guests.
- Lunch at venue: There will be no self-service catering arrangements. Athletes may only eat in dedicated areas. Further information related to catering will be communicated later.
- Transport: The OC plans to organize individual transport with the same vehicle and driver for each team in order to minimize the interpersonal exchange. It is compulsory to wear a mask covering the mouth and nose on transport buses.

# ENTRY RESTRICTIONS TO POLAND

- When entering via an external EU border or from EU countries, a 10-day quarantine obligation applies, regardless of the kind of transport that was used.
- The quarantine obligation does not apply if a negative COVID-19 PCR test result (not older than 48 hours) is presented upon entry (or in case of travelers from the Schengen area after arrival at the airport, before the border check).
- Persons who can prove that they have been vaccinated against COVID-19 with a vaccine approved in the EU are exempt from the quarantine obligation.

# COVID-19 TESTS FOR RETURN

- If your team needs a negative PCR test result for return travel, please inform the OC.
- The OC will try to arrange on-site testing facilities for those teams which would need a negative COVID-19 test for returning to their home country.
- Costs to be covered by Member Federations.
- More details on this will be available from the OC in due course.

# DOCUMENTS REQUIRED FROM TEAMS

- The following documents will be sent to teams by the OC before the event.
  - **Pre-Event Health Questionnaire** by email to the OC (beatakruszwica@wp.pl) 48 hours before arrival (*one per participant*)
  - **Member Federations Consent Form** by email to the OC (beatakruszwica@wp.pl) 48 hours before arrival (*one per MF*)
- These forms need to be completed and returned to the OC in order to receive accreditation.

# TEAM AND OFFICIALS BEHAVIOUR 1

- Teams and officials are required to remain within their “team bubble” and not leave the venue or hotel unless travelling between the two.
- If someone has symptoms or is tested positive during the event, the local authorities will check the whole team for “close contact” and possibly isolate them too.
- Teams are encouraged to make “micro bubbles” of individual crews to avoid “close contact” if someone has symptoms or a positive test.
- Limit interaction with other people where possible.

# TEAM AND OFFICIALS BEHAVIOUR 2

- Please respect the World Rowing Member Federation Team Accreditation Policy sent out on 23 April 2021 which explains accreditation for people “essential for racing” only. We are doing our best to keep the boat area as limited as possible to avoid cross infection if something should go wrong!
- To protect the health of all participants, anyone not adhering to the OC COVID-19 Response Plan conditions at the venue or hotels will be immediately disqualified and excluded from the event, at the discretion of the World Rowing Executive Committee.
